**PAMPERING PARTY DETAILS**

- The special party rate is applicable for parties of a minimum of four guests. PURE can also cater for large parties – please contact us for further advice.
- A 50% deposit is required upon booking a party. The deposit is non-refundable unless at least one week’s notice is given of any changes. The deposit must be paid at least 3 weeks before the party date. The deposit is deducted from the cost of the treatments on the day. If you are booking a party at short notice, the deposit may be required straight away. We will advise you if this is required.
- All bookings are on a first come, first served basis and subject to availability. We advise larger parties to book early to avoid disappointment, particularly on Saturdays.
- Parties may bring their own bottle (wine or bubbly only) to the party, and PURE will provide glasses and a corkscrew. A small charge of £4 per bottle is made on the day for corkage.
- Parties are normally allocated 30 minutes after the last treatment to sit and chat with friends. You will be advised upon booking the time that you must be ready to leave the salon after your party. Parties are required to vacate the salon at least 15 minutes prior to salon closing time if applicable.
- We ask party guests to respect our other clients who may be visiting for relaxing treatments. Party guests are expected to follow and respect the salon health, safety and comfort rules. PURE operates a no smoking policy for clients and staff.
- Normally parties can be accommodated for everyone’s first choice of treatment provided that we have the space to accommodate all of the choices. If we cannot accommodate the first choice of treatment, we will contact you to arrange an alternative choice.
- Parties are required to arrive at the salon 20 minutes prior to their party appointment time to be welcomed into the salon and to ensure the smooth running of the party.
